COMMENTS IN SUPPORT OF RULEMAKING

The Board of Trustees, the California State University for San Diego State University ("SDSU"), by its attorneys and pursuant to the Commission's Rules, comments on the above-referenced rulemaking proceeding to amend Section 73.606(b) of the Rules. The rulemaking proposes to amend the Commission's Rules by substituting channel *43 for channel *26 at Brawley, California.

SDSU initiated this proceeding and intends to amend its pending application for a new full service NTSC Station at Brawley, California to specify channel *43, if this request is granted. If authorized to do so, SDSU will build this station on the requested channel. SDSU hereby incorporates by reference the showings made in its *Petition for Rulemaking* in this proceeding, as filed with the FCC on July 17, 2000, and supplemented on July 25, 2002.

For these reasons and those expressed in the prior *Petition*, SDSU supports the rulemaking proceeding to amend Section 73.606(b) of the Commission's Rules to substitute channel *43 for channel *26 at Brawley, California.

Respectfully submitted,

THE BOARD OF TRUSTEES, THE CALIFORNIA
STATE UNIVERSITY FOR **SAN** DIEGO STATE
UNIVERSITY
